

**State of Maine Department of Education
Revolving Renovation Fund Application**

Sample School Board Approval

Sample

School Administrative Unit _____ School _____

The School Board of _____, by the signature of the Chairperson affixed below, resolve that the following are true statements:

1. The School Board of _____ has reviewed and approved the Educational Facilities Plan, which includes the use, for K-12 instructional purposes, of the school facility named in the application for which the application named above is being submitted to the State of Maine Revolving Renovation Fund. And that the plan for this school includes its use for K-12 instruction for at least ten years.
2. The School Board of _____ has Ten Year Capital Improvement Plan for this school and certify that this project is part of those plans.
3. The School Board of _____ approves the project for which this application is being made.
4. The School Board of _____ approves this application to the Revolving Renovation Fund for this project.
5. The School Board acknowledges that the application to the Revolving Renovation Loan Fund may be impacted by state policies that are developed concerning school construction and renovations.
